WINTER 2020

Faloria

Ski Touring

Ski touring is perfect for those who want to combine a trip on foot with a ski descent both during the day and in the evening, lighting the way with headlamps. And why not stopping in one of the many refuges of the area for a break or a typical lunch at high altitude?

At the hotel reception it will be possible to book your mountain guide and discover the variety of routes that Cortina offers.

Cross-country

The wide offer dedicated to cross-country skiing is able to satisfy sportsmen of all technical levels thanks to the exclusive panorama of the Natural Park and the variety of routes. A valid alternative of alpine skiing ideal also for families and children.

The Fiemme Sport Nordic Center has always been the reference center for cross-country skiing thanks to the various specialized services connected to it and the fantastic itineraries that are part of it. The Cortina Dolomiti Cross-Country Ski School offers its qualified and dynamic staff to satisfy every need.

It is possible to book ski passes and instructors directly at the hotel reception to avoid gatherings on the spot.

Snowshoes

Discover Cortina with its breathtaking landscapes and unique views through walks, hikes and snow trekking. Snowshoes are ideal for entering the woods of the Dolomites, immersing yourself in fairy-tale scenarios, listening to the silence of nature or discovering historical trails in the footsteps of the Great World War.

At the hotel reception it will be possible to book your guide and discover the variety of routes that Cortina offers. Alpine guide starting from Euro 330.00 for 2 people. Technical equipment rental to be defined and quoted separately.
